

## STUDY VISIT LITHUANIA (2021. September 14-18)

This study visit will gather youth workers and municipality representatives from Slovenia and Croatia and will allow them to explore the youth work in Lithuania from a closer look.

Participants will meet with Lithuanian representatives of Department of youth affairs, representatives of municipalities that are active in youth work. They will also visit youth centers are in rural and urban areas.

Future cooperation possibilities with Erasmus+ and European Solidarity Corps will be presented.
